Material Safety Data Sheet

INCRALAC

June 1993

I. PRODUCT IDENTIFICATION

Name	Incralac (Copper and Brass)
Product Code	LA01
Uses	Metal Lacquer

2. INGREDIENTS & DESCRIPTION

Acrylic resin in organic solvents. Colourless liquid with organic solvent odour

U. N. No: 1133 // Class 3
C. A. No: // Packing Group 3

Expos Limits

Xylene 100 ppm
Tuolene 100 ppm (8 hour TWA)

3. FIRE AND EXPLOSION DATA

Flammable. Flash Point above 21° C but below 55° C In case of fire use sand, earth, dry chemical or foam

4. HEALTH HAZARD INFORMATION / FIRST AID

Symptoms	Action
SKIN CONTACT There may be irritation and redness at the site of contact.	Remove all affected clothing and wash thoroughly Wash the affected area with clean water
EYE CONTACT There may be irritation and redness.	Immediate First Aid. Flush under running water for 15 minutes.

Symptoms	Action
INGESTION	Immediate First Aid. If conscious give quantities of water or milk to drink and seek medical advice immediately
INHALATION A dry throat and tightness of the chest at low concentrates	Immediate First Aid.

5. SPILLAGE AND LEAK PROCEDURES

First Action

- (i) Eliminate all sources of ignition immediately and instruct others to keep at a safe distance, well away from the spillage area.
- (ii) Open window, if possible, and close laboratory doors on way out. Aim to ventilate the area but isolate the material.
- Wear - Laboratory coat, safety spectacles & gloves. Have self contained breathing apparatus to hand to wear if chemical spillage is large.

Small Spills

Liquids
< 0.5 : l Absorb on paper and allow to evaporate in a fume - cupboard or open air. Burn the paper later.

N.B. Ideally all hydrocarbons and related flammable organic chemicals should be burned in an incinerator with afterburner

Large Spills

Liquids
< 25 : l Absorb the chemical onto sand or vermiculite and transfer into buckets for disposal. Wash site of spillage thoroughly with water and detergent.

Disposal

Dispose through officially approved channel. This material and it's container must be disposed of in a safe way.

6. SPECIAL PROTECTION INFORMATION

Wear suitable gloves - avoid contact with skin and eyes.

Eye Protection	Wear eye / face protection
----------------	----------------------------

7. SPECIAL PRECAUTIONS AND HANDLING

Highly flammable. Avoid breathing vapour. Use in a fume cupboard. Avoid skin contact. Do NOT empty into drains.
